**WOMEN: UPLIFTING & UNITING THE WORLD**

MAY 16<sup>th</sup>- 21<sup>st</sup> 2016

PULLMAN-NOVOTEL, NEW DELHI, AEROCITY, INDIA

**Dr. Harbeen Arora**  
Global Chairperson, Women Economic Forum & ALL Ladies League

Welcome to WEF2016, the world's largest congregation of women with over 1200 expected from more than 75 countries. At WEF2015, it was a sheer delight and a blessing to have so many inspired and kind hearted women from across the world and diverse backgrounds come together for the very first time, and yet feel an abiding Oneness of heart and mind. Such was the miracle experienced by ALL. WEF 2015 was a celebration of warmth, enthusiasm, commitment, and creativity apart from the business opportunities generated. Over 400 women from diverse cultures and faiths came together to create a vision of the world as they believe in – a world where the seed of love in every heart is planted again; where the dried up emotions in our hearts are revived again; where the creative energy in each is liberated again.

ALL Ladies League is connecting, every day, more and more women from ALL parts of the world to foster a worldwide web of women and thus creating a strong collective self for women. ALL is fostering a positive global movement in uplifting the world through feminine leadership and via friendship in an era of major individual conflict, depression, anxiety and intolerance due to rising religious fanaticism, extremely competitive environment, decline of value systems and narrow selfish thinking. ALL is also a mindset for change, for introspection, for rationality, for tolerance, for faith, for goodness, for kindness, for generosity, for societal values, for peace and prosperity both of the individual and society, for collective responsibility, for ethics and above ALL for the wellbeing of the entire world as enshrined in the ancient wisdom of praying for the happiness of the entire universe since in that lies the happiness of the individual.

Welcome to the fascinating world of the Women Economic Forum 2016- to learn, to enquire, to network, to create partnership across borders, to promote your business interests and to create lasting bonds. This year theme of “**Women: Uplifting & Uniting The World**” covered through 28 verticals across 408 sessions.

- Delegates should book your round trip ticket to New Delhi from your destination. Some good deals are available at [www.makemytrip.com](http://www.makemytrip.com) and [www.goibibo.com](http://www.goibibo.com)
- ALL Foreign delegates who are speakers will get to spend up to one week complimentary (includes stay, meals) at one or more of our Himalayan resorts subject to availability and prior booking. See [www.countryinn.in](http://www.countryinn.in). For the entire trip Toyota Innova & SUV (capacity 5 passengers) cost will be USD 150 per person. The resorts are a 6 hour drive by road. On the highway at midpoint there is a McDonald where one can stop for a short meal and refreshment. Cost of a meal roughly will be USD 5 per person. For safaris in the Corbett tiger reserve, you have to book in advance as its government regulated and controlled. Cost for a jeep which can have 6 passengers is USD 110 and for an Elephant ride which can have 4 passengers is USD 55. The hotel will be happy to arrange all the bookings and you can pay the hotel for it. If you wish to go before the conference, plan to leave for the resorts from New Delhi on 9th may morning and arriving back on 16th morning. If after the conference, then you can leave on 21st afternoon and arrive back to New Delhi on 29th May afternoon. Bottled water will be made available at cab's plus the hotel on complimentary basis.

Cost of hiring the Toyota Innova and SUV for the round trip is USD 75. It's a three hour journey one way. Booking has to be done in advance. Tickets to visit the Taj (USD 20 per person) are not included nor are any meals. Best is to have lunch at the ITC Maurya (cost USD 30 per person) or at any McDonald or Pizza Hut.
- Other expenses: the conference rate includes all meals at the conference venue. Bottled water will be available complimentary in all the rooms, and at the conference venue. You only have to pay for any room service or use of any other facilities at the hotels. Not included is eating out or sightseeing in New Delhi. Our help desk will guide you.
- Dress Code: Carry smart casuals, semi-formals and formals for the various conference sessions. We welcome culturally diverse outfits. In terms of weather, it's going to be warm outside (but air conditioned in hotel) so you need not carry anything warm. However, if you are going to the resorts in the hills, a light jacket is recommended.
- Speakers at parallel sessions. Each parallel session is for 60 minutes. If you are the lead speaker, you will have 15-20 minutes. This will be followed by two panelists, who get 5 minutes each and a moderator who gets 5 minutes. The balance time is for Q & A. There are Ten simultaneous parallel sessions in different conference rooms at the venue. Given a total strength of 1500 delegates, you can expect anywhere from 60-100 attendees in your session. While we will be popularizing each session and the speakers well in advance, we cannot guarantee how many will attend each session as delegates have a choice.
- On arrival at new delhi airport, you will have someone from with a placard of Women Economic Forum at the exit. He/she will escort you to one of our coaches and take you to the conference venue hotels. The conference venue is within the airport complex and just 5 minutes away.
